Girls' Varsity Basketball Team (Unofficially) Set New School Record!

Girls' Varsity played well together mentally, physically, and spiritually in this week's three games, ultimately losing to Baptist, but overcoming Scecina (47 - 45) and smashing Whitney Young (93 - 25)! Five ISD B-Ballers went into double digits in this game!

Initial investigation suggests that the Whitney Young game set a new ISD record. A more thorough records search to verify this is currently underway.

Athletes of the Week - 1/4/93

Varsity Cheerleader

Anjanette Boyd had missed the last three weeks of school before Christmas Break due to illness. By sheer willpower and hard work, in her first week back she managed to catch-up on everything she had missed! Way to go Anjanette!!

VARSITY CHEERLEADERS NOTE: Congratulations from coach Sharon Baker to the entire squad for the great week of practice. They changed every cheer and dance due to an absence on the squad and did a great job!

Junior Varsity Cheerleader

Mandy Loper joined the Varsity Squad for some cheers and stunts during the week and did very well. Mandy improves weekly. Keep up the great work!

Middle School Cheerleader

Micki Lewis worked hard to help organize the Middle School Squad. Coach Marie Kellam says Micki shows good leadership qualities, has a positive attitude and is very motivated to learn new cheers.

Boys' Varsity Basketball

Jed Gallimore has a great attitude and worked extra hard this week. His defensive playing contributed greatly to the team's efforts.

Junior Varsity Basketball

Marvin Cooper was outstanding in practice this week. His leadership helped the whole team. Scored **18 Points** against Whiting!!

Intermediate Boys' Basketball "A"

George Smith played very well against Park Tudor, scoring 16 points!

Intermediate Boys' Basketball "B"

Jermaine Vaught demonstrated his loyalty to the squad this week. He never complained and at the same time worked hard to improve his playing and challenge himself constantly.

Girls' Varsity Basketball

Jennifer Brezinski worked hard all week in practice and played a great game against St. Rita's, scoring ten points (after going three games without scoring!) Coach Thomas Perkins says "Jennifer is highly motivated and shows true spirit."

UCA All-Star Update

The three ISD Cheerleaders selected as UCA All-Stars flew to London, England, on December 26th to perform in the Lord Mayor of Westminster's New Year's Day Parade. The trio had received a videotape earlier in the month of the routine they were to perform overseas but had to wait until arrival to actually rehearse with others.

Anjanette Boyd, Jody Collins, and Dawn Walker performed extremely well reports Coach Sharon Baker, who accompanied the All-Stars on their adventure.

Dawn and Jody were chosen by random drawing to dance at the Royal Albert Hall in the New Year's Day Spectacular which followed the parade.

The ISD Community congratulates Anjanette, Jody, and Dawn and thanks them for representing ISD so beautifully.

Health Center Announcement

Vision Screenings

All schools in Indiana must conduct annual vision screenings as per Indiana Code 208.1-7-16. The purpose of the screening is to detect children who have visual problems which might affect their school performance and/or cause physical symptoms.

Parents/guardians can then seek further evaluations from their eye care specialist.

Students involved in the vision screenings will be: kindergarten, first, third, and eighth grades, students new to ISD and any students who have a suspected vision problem.

Any parents/guardians who object to having their child evaluated must submit this objection in writing to the Health Center no later than 2/5/93.
